PRESENTS

## PHARMACY TECHNICIAN EDUCATION DAYS FOR 2012

**If you registered before December 31, 2011, the following CE requirements apply to you:** Registered Pharmacy Technicians are required to obtain a minimum of 12 contact hours of continuing education (CE) of which 2 hours must be via live presentation and 2 hours must be related to the prevention of medication errors and 1 hour must be in HIV/Aids education for the first renewal if they are registered more than 12 months before the expiration of the license.

**If you register between January 1, 2012 and December 31, 2012, the following CE requirements apply to you:** If you are registered less than 12 months you are only required to obtain 1 contact hour in the prevention of HIV/Aids.

**The next biennial registration period begins on January 1, 2013 and ends on December 31, 2014.** During that 24 month period you must obtain the **full 20 hours of CE** as specified, which includes 4 hours of live CE and 2 hours related to the prevention of medication errors.
